 The Co here had previously of-
 fered this and are very anxious
 to get it.
 It costs in the north to send it
 to Boston - freight \$120 - box \$30
 & additional hauling \$15 -
 If you will advance enough to
 pay half this difference I would
 rather send it to you.
 Please reply by telegraph.
 As regards the item of hauling our
 cars run into the mills at Canton.
 With respect
 My frd R.T. King
