Dear Friend

Thomas Hodgkin

Thy favor of
24th Inst. in behalf of the
Committee of Centre Rep. Mtg.
duly & hand.

In accordance therewith
we have remitted to our
friend Dr. J. C. Benbow the
sum of Fifty dollars (\$50.-)
to purchase the three bbls
of Corn & Two do of Flour,
which is what we understand
you to require at present. To
the Benbow firm in New York
is much better to buy
there - We are in
New York & shipping into New
Haven. I think
I hope I am right.

Richard French,
in New York
just check on First Natl
Bank of Ball to your order
for Fifty dollars to purchase
2 Bbls corn & 2 Bbls Flour
as per request of Thos Hodgkin
in behalf of the Committee
of Centre Rep Mtg.

I have written Thos Hodgkin that
you had named prices to see
at which the purchases could
be made there which is better
than to buy them here

Yours &c

John Tyson
