My dear friend

Glad to hear of
thy new purchase of the
Muttall property for \$500.
Have the deed made out
as thou may conclude to
do in the two other cases.
If it is best not to delay
thou can make the deed
out to myself or myself, &
we can make a new deed
to the Ass^{ts} as soon as we
determine what is best to do,
as regards organization.
Beware for the amounts.
I would be very careful to
have the Muttall examination
very thoroughly done.
I wrote thee two letters which
I presume are at hand. I sent
the deeds. I hope W. A. Sampson
