My dear Friend

They must accept of the
 situation & sympathize in our work
 We expect to find persons that may
 not wish open for their work to an-
 swer directly in it - we must leave
 that however to accept in faith they
 live of duty at home, as the ma-
 jor wants out for that - hoping
 that there will continue to keep our
 work alive upon the Society
 We have but \$ paid for the Mount for
 of 200 acres, the adjoining 42 acres be-
 lieved to be the plank road - done with
 old horse it was - & the Saco & house
 next to Springfield N.Y. there lot
 the have appointed with dampen in
 harness - has from N.Y. & has had clay
 of the New England Mission at Wash-
 ington 39 years past our debt will
 number 39 this year - as the work progress
