

is coming to look for some
small building to put up
before this winter. I
suppose you will not
be able to get any more
done this year. I am
glad to hear you are
well. I am well.

Dear Mr. Allen,
I am glad to hear you are
well. I am well.
Yours truly,
Wm. Allen

Please send me the plan or
we were talking about &
agreed on at the B. School.

Have the rails split for the
Boundary fence -

Purchase the Board for the
Barn & House so as to get
it the cheapest possible.

The Timber can be felled
& prepared, waiting for sizes
as to length, as soon as plan
is adopted.

Do not excavate until we
adopt plan.

I presume they did not get
my letter ten days ago asking
for the plan.

Please date my letters according
to P.O., as our Com^{tee} in case of
my absence, may not know
that Blomington is not a P.O.
I think Bush Hill is a poor
name for such a thriving, good

head place & live man, as we
find at Allen's - his rich
farm don't look like a
Bush Hill - neither do the
tall oaks & hickories look
like bushes - It is a pity that
it was not called something
P.O. & our something Farm.
I am truly sorry to hear of
Emma's poor health & think
N.C. is just what she wants.
I leave for N.Y. tomorrow to be
gone a few days & fear I shall
not see her.

My account of the drive is quite
& interesting.

Within a month past the money
market has tightened very much
here & we get bad accounts from
the South as to the collections of
our merchants & the great scarcity
of cash there. I would make
the New Mills & every one else
