My bill recd of Root,
 & sent to paper - the latter
 217 names - I understand
 C. Fisher to say & have his
 letter, that they would put
 the book at 100 & give 10
 copies you have no
 money that all names
 no doubt they must be
 remembering it.

I did not like to deduct
 that amount without writing

Dear Joseph

I enclose the joint
 note of Miss Hammond - A
 W. Tomlinson & W. C. Petty, Jr.
 \$100 - 7 mo 15 1867 - I had it
 out some time ago & thought
 it went at the time.

I am still expecting to
 leave here with I can
 2^d day, so as to spend
 3^d day P.M. at Raleigh
 & go up to Bush Hill
 4th day - I wrote thee
 fully about postponing
 our meeting until
 the Legislature meets
 after the Convention.

Will be glad to see
 thee in Raleigh if thou
 feels like it.

Thine
 Garrison
