

the framing the frame - the ceiling elevation  
are marked on drawings

We take elevation - the lower about mid air  
I think not.

No 7. Details drawings of Portico & Canopy  
of the House - a part of full size & a  
half full size. If the elevation for the  
interior of House they work with I will  
have them altered.

The double stairway is better than the beauty  
the variety, if it does not cost too much  
additional.

The window work should have been  
a part of the exterior House - including  
the front porch. These & elevation plans  
showing room plan & elevation.

If a new only space it will be a cost  
to account.

If the stone wall is not yet made then  
must get the stone to the top of the Portico  
for it. The report to the of the house being  
built - we are having the lowest mile  
of many years - the stone is now about  
the level of the top of the.

My letter was - My friend Mr. H. H.

My friend -  
I have been thinking of you  
a great deal lately - and  
wondering how you are getting on  
I hope you are well - and  
I hope you are happy - and  
I hope you are successful - and  
I hope you are content - and  
I hope you are healthy - and  
I hope you are wise - and  
I hope you are kind - and  
I hope you are true - and  
I hope you are brave - and  
I hope you are good - and  
I hope you are great - and  
I hope you are all that.
