

sure there are opportunities for
mission.

As regards our Maryland work
I am safe in saying that you
saved us from suspending
our schools. I will write in
detail hereafter. There will
be no grant was made
till at the last conference
of the Com^e - and will say
further on be made - we
had our portion promptly to
meet the crisis which is
now passed safely -

I sent three by last steamer
a photo of our Normal. They
have elected one Part of the
Board of Trustees - we have
three ex-officio out of the
Board of Trustees. Our Normal
is in fine condition.

I sent copy of Min^g & Ex Com^e
to A. H. C. - excuse my great
thrusts - Truly, thy friend

My many affecⁿ remain
to thy dear family.

My dear friend

William Albright

I have
been from home much
of late attending Phila
dealy Mtg. &c - nearly the
past week the absence.

This accounts for not writing
thy last kind request to
write for your Com^e meeting
came while I was away.
I did not receive it in time.
I made two special visits
last 4 & one to Phila to see
for about your grants for
Normal schools. J. H. McKim
has been very ill - he is now
at work again & looks better
than before his illness - a
complete change of constitution
I hope. We have been debating
in order to make us visible
if possible we wanted a fund
