

burden upon their mind. I think we
should both attend ~~them~~ ^{our} family. Mrs.
then can attend more at our expense &
go back with me.

I will send a day to Anna, & get some-
one to look after who is perhaps myself,
I will then look to the children & Anna.

We will look all this over when I see
her in a few weeks. I want then to

write to her my few lines. I have
written Dr. N. & I expect to be there. I have
all your stringfield members present - do

as to income & expenses.

I hope then will write to the children - I am sorry

for them to do these things up by attending.

W. C. & family Mrs. - after my friend - J. F. R.

P. S.

Love to Allen, wife & the other children

friends. I have been away about

the past 6 weeks - I am now

at the M. E. family. My wife with me

with the family. I am now

at home & I am anxious to have

a meeting in your parish. I am

now - having up the parish. I am

and the blacksmiths have them now.

I have just begun to build a road from 4,

by 130 - 500 ft high - nice road this is

rather I assure them.
