 expenses there & back, but
 not pay the for the time, as
 we must continue to pay

Then can return to Ad.
 only in the 8th Nov so as
 to attend the meeting &
 other yearly mgs. and help
 me to lay our concerns be-
 fore them as I have done
 in N.Y. & N.E. yearly mgs.
 Then should leave soon
 after receiving this & we

Dear friend
 Allen Day.

The new letter
 from Mr. Moore saying he
 will remain until after
 the yearly meeting. The
 Annual School has begun
 will continue for 6 weeks
 he will then start the school,
 attend the yearly mgs & go to
 Earlham in the 10th or 11th Nov.

We now formally tender to
 thee his position - we would
 propose thy going to N.C. now
 attending the Annual & so as
 to see the working of our sys-
 tem & being with us, but we
 cannot afford to pay his keep
 at one time. If thou will go
 at once to High Point & remain
 there until the close of the
 Annual, look into our system
