Allen Day

ever telegraphed to thee that it is not necessary for thee to come on under present circumstances. I must go on the 16th & must return to the home by the 22nd. It will give me time away at the school, & his for other purposes. I have conferred with Dr. Thomas & our old will furnish thee with a new & better one - also furnish for thy house. We have no furniture, but we thought it would be as expensive as buying that one had better buy such as was necessary - it can be had cheap as in N. C. than have - also be it - obtain a piano - I presume the only thing for thee to buy would be linen - dress, sheets, blankets, towels, aprons & the like. We shall have to spend some money upon the house - We expect to contain a double over the school for two years, perhaps 3 or 4 - we shall contain the amount of ten or more. We are friends, address the address of teachers - we never paying the debt. The milk & the school share should every point
