

we can - but it is other people's money & they
 will watch us. We say all the travelling expenses
 while visiting the schools for us - say to Friday
 delivery. Had we not believed that Mrs. Hunt
 religious drawing to the work we would not have
 offered these the position - We think that Hunt
 the wife rather into the missionary character from
 labor, & our success & ground lie in the divine
 leading & guidance only. I often feel that I
 would like to enter upon it if I had no
 special call here, as it is I go there & living
 a year - make head over the accounts & letters
 at home - visit all the yearly days - they are
 our expenses besides - it will cost no more than
 year including my subscription to the fund.
 We hope that may well open for that & they will.
 The people there want you, we feel that you are
 the called ones - & I trust you find it also - &
 over you & the work may this Lord's blessing
 rest richly. You need not go to N.C. with of the
 you nearly try - I shall attend ~~the~~ this, Westcott & the
 & we want that to attend some at our expense, to rep-
 resent our cause there - I will write again about
 after the friends A. J. King
