Dear friend

I bought all
 of the order yesterday &
 the plan, pretty old man
 went to the boat today.
 Wm R. Fulton said in
 a letter that he had found
 a nice carriage costing
 \$125, a little used, & that
 he could collect a part.
 he queried should he
 buy it. I took the liberty
 of saying yes - as his
 collectors would make
 it cheap to him.
 Collect the money for
 the frame & remit it
 direct - Be sure & get
 a genuine article.
 I was much interested
 in the account of crops
