not require them for a month
in the meantime fix up the
house, look after the family -
attend yearly reg & prepare for
winter. Consider myself a
farmer for a while & don't
be anxious about any thing
else. I will be down in two
weeks & we will talk over every
thing. You must be made
comfortable & kept so & our
asses will be satisfied with
nothing less.

Dear Sir
Ballo 10/9. 68
I have read thy letter
& feel truly sorry that you find
things as thou stated.
We must then & think to be com-
fortable, cost what it may & you
must be made so.
Have the well dug - fix up the
fence - seal the rooms up stairs -
put up the addition for the kitchen
and eating room & have it good
size - also porch in front.
I spoke of those things - do what-
ever else is necessary to make you
entirely comfortable. We will paint
the outside of the house. Go on
with the work & I will go down
with Dr. Moore before the 1st of May
so as to spend several days with
you & Mr. I will be along.
I know how thou feels, burning
to get to work - but Dr. has
