Dear friend.

We have just
paid thy sister's bill of
\$125 up to next 5th Nov,
when we will pay \$75
again - making \$200 for
us & leaving \$50 for thy
father to pay towards
the Board & be to clothe
her also.

I hope that thy father
are well & that you
are doing well in the
farm.

London is about
to thy order on N.Y. for \$42¹²
balance due thee in Cash
but not in other respects.

Please excuse me for
not sending it before.

I have been run day
& night & have not
touched a pile of letters
among them

thine
I will send a letter of
thanks to the Steamship
line tomorrow.

I had a grand letter from
Allen Jay today - he
says a religious awakening
has sprung up outside
towards friends. 27 members
were read at Cane Creek
last 7th day - no preacher there.
