repaid). Your remittance
will come in nicely.
If thou could send it
before the close of the
year I would be obliged
to thee as I would like
to pay the deficit to
the Treasr before he
makes out his account
the 31st inst.

I cannot express the grat-
ification & relief it is
to my mind to have
your dear friends come
in & crown our years
labor with such large
aid after I had exhaus-
ted my effort at col-
lection - without making

My dear friends,
M. C. Cope

Thy kind & encour-
aging note recd.

We begin the scholastic
year this fall \$7,000 in
debt - We have added to
that deficit in payments
upon the house & two
months wages to 48 Treasr.
Our receipts from several
of the yearly Mss have
reduced this to about
\$1100. We shall receive
no more funds but
your till N.Y. & N.E.
yearly meetings convene
in the spring.

We shall have some
heavy drafts about new
year from the salaries
I wish to buy several
