

I have been thinking of you
 and wondering how you are
 getting on. I hope you are
 well and happy. I have been
 very busy lately, but I
 have managed to find some
 time to write to you. I
 hope you will find this
 letter interesting. I have
 been thinking of you very
 much lately. I hope you
 are well and happy. I
 have been very busy lately,
 but I have managed to find
 some time to write to you.

At New Haven, made Allen & as
all at Springfield we moved
make it the Capital of the State
figuratively speaking.

Start the Annual is the pro-
posed - act as kept with
Ryder, Dobb & Rinean in, each,
Allen I think will be of
great help if he will come.
All Elliott, for the children
will be a good selection I
doubt not. Have further talk
& all will be right.

I would not at present insist
Dr Craven - unless very obvious
clearly. The request from Chapel
Hill I would decline - deal
in the judge of our Court. I
read thy letter to them. We
have lost time at the Cape
Creek Mission - the vacation
of which I highly approve, for
the teachers needed rest.

There will follow an evening
Address - To send our best
wishes to C. Hill will in-
terfere with the delivery,
be a strain on our relations
and few will not do much
good. As for Ashley giving us
a week I would not like
that - I suppose he is pushing
his own work, now that his
bill is passed. we must aid
him & the state all we can.
I would like him to spend
a few days with us & he can
give a lecture. Encourage
him in his work - but let
us keep our talents in our
own hands - the state may
make us grants from the
Fund for each school. I would
like to have the Bill read
it carefully. I will go beat the
barn & give you an address.
