The teachers become acquainted
with each other & unite very
heartily in the work.
Out of our 58 teachers all
are native Carolinians but
Ezra Meador of New Hampshire
& Rebecca Child of Rhode Island
& two from Indiana.
I send this one of our Reports
18mo old - since then our
schools number 42 & the
pupils 3000 -

Then we can think the
matter over & write me
they means more fully.

Dear friend

I have read
thy letter with interest & am
now able to say that I think
we can open three in good
position in North Carolina in a
school for whites - as a part
of Friends Assn. at a Friends
meeting house or in a village
of 2500 - 2-4 miles from meeting.
Several families of Friends live
in the village & we can make
up a good school of 60 -
We want a combination of
missionary feeling & religious
interest with our school work.
We collect our teachers into a
Normal during the 7th & part
of 8th mo, in a locality slightly
but neighborhood & they prepare
for the opening of schools.
