Dear friend

our Annual will open
about the 4th prox. I think we shall
have a good opening for thee at one
of the best positions, Greenboro.
It is all important thou should attend
the Annual for 6 weeks to become acquainted
with the teachers & our system & school
management. The Annual is composed of
our own teachers & a few others. We will
pay thy expenses one way or the other.
If not we pay nothing but thy board, in
either case, during the Annual.

We pay our teachers much less than you do
in Mass, but they can live on much
less. We provide board free & pay from
\$25 to \$35 per m^o. - 10 wks. The school
houses which we expect for thee is a
self sustaining one at Greenboro & will
pay better - it can be made a paying
one. All mission work.

P.S. please notify Sally
in time for next year
for her visit see how
we can pay any more

My dear friends

I enclose my

I paid the previous 6 m^os & was
to pay \$75 more, & hereafter
the remainder, \$50, for the
entire year, ending next fall.
I have written Sally that I
have sent a check for the \$125

thee please remit it to me.
Please send me a receipt
to file away & state the con-
dition of the patients.

I was in Phila during Quaker

make it out - hope to do so some
day. My kind regards to thy wife &
self. Love J. N. Keelin
