has been constant of action, especially, against the
fact the strength of our work is in this direction and of
young location - all of them, I believe, ~~the~~ earnest Christian.
We have adopted the same plan to ~~put~~ ^{put} in the whole
district. In the spring we expect the people's location for a
week at several points & will then for their special work.
The local from such through the past spring. I believe we
at our camp, all around the, at which for two days, 600
adults were present - including Ruth, Matt, Betsy & David's

and I am next page -

I write - 7 Nov 6. 1869

We agreed to give \$100 towards
the new school house -
