

I have read the
 letter & am interested in the
 application. We have built
 a new meeting & school
 house. We at Haverhill &
 are interested to build
 up the meeting there.
 Please call & see our
 former agent to Dr. Hovey
 at Earlham College,
 as I have written him
 upon the subject of the
 letter. He will talk
 more fully with thee
 than I can write.
 Please call soon -

 Dear friend

This read with a little
 for \$151 - I had previously read \$42
 \$23⁰⁰ + \$38⁰⁰ in all \$255³⁰
 from you & my for M^{rs} A. Hovey.
 I am truly obliged to thee for thy
 kind words of encouragement & for
 thy remarks also about the
 Indians.

Our Indian Com^{tee} is called to
 meet at Plainfield & day
 the 22nd inst.

Your two men here must be
 there. I expect to be - but I
 am very tired of running about
 so much - leaving duties at
 home. I am glad our D. C. T.
 is with you - may you have
 the meeting presence at you
 & my.

My friend
 W. J. Harrison
