about it & requested him to
 write to them, as I shall leave
 for Canada & Western
 in a few days. He will
 write me as he & I wish. He said,
 so that I get it by the 22nd or
 will write me as I wish. He said,
 Niagara by so I get it there by
 17th. I go into Canada before I
 go to Western. They are in a
 hurry for the school, but we
 must take time to get a good
 teacher. He would have good
 home there - near the house &
 a first day school. He would to
 build up that meeting.

He only agrees to help the school
 \$100 for the school year & they, the
 Com^{tee}, are to get the balance out
 of the children. They say they can
 get all the children in the neigh-
 borhood, if they get a good teacher.
 & they can charge fair prices.

Mine just rec^d - I will bring the
 interesting picture with me. I have
 not yet had time to look at it.
 about Harris

Dear Sir
 Bull 9. 9. 1835

I rec^d a letter from Mr.
 J. Prethor who applies for the
 school at Hamilton V^{ts}. He says
 he has two offers for Ind a school
 but prefers going to his native
 country in V^{ts}. He was at Carlham
 & has taught. I have written him
 to go & see them at once.

He asks \$45 & we to pay his ex-
 penses to V^{ts}, (what would they
 be, near Amherst) He says nothing
 about Board, I presume he will
 pay it out of his \$45. Please
 judge of his qualifications in
 all respects. I think \$40 & we
 to pay his trip there would be
 full as much as we could
 pay for the first year. The house
 is new & cost considerable - the
 neighborhood, thin & poor, yet
 improving.

Please make no contract - I
 have written Wm. H. Harris, Suffolk
