We have paid about

Dear friend
Thy two letters
recd. - the plan proposed
suits nicely.
We have credited Indiana
by my with \$1000 - as per en-
closed receipt & charged thee
with \$1000, as per thy receipt.
I also enclose our due bill
to thee with the \$1000 charged.
Accept our thanks.
As regards our friend C. - he is
usually prompt but the war
locked up his means & his father
who died since the war left
him his farms with the pro-
viso that he should pay
the other legacies in Cash
\$15,000. It has cramped him.
He owns much valuable land.
