Dear friend

I recd thy letters
& enclose my check for \$375
the amt. yet due in your
meeting House - it is sent by
our ass^t having been collec-
ted & paid in to it.

I have made some inquiries
& find it will not do to put
an article in the Review now
asking for more money - the
Freedmen & Indians will re-
quire heavy collections. We
send the enclosed check in
place of it which is better.

We will help you in 1870 towards
the plastering - it is a risk to
put it on in winter.

How does the school answer & how
does James suit. Acknowledge receipt
Love to you all. A. T. Kings
