

[illegible]

for the readman, from taking
but find in selling my
Bank Book today that it
has never been presented
to our Bank for payment.
Did they use it & where
has it gone.

I am rejoiced to hear of the
welfare of the Church in
your land. Allen says I
want to be at your L. My
but I cannot say so far
ahead.

My love to thy family
to R. B. & friends & here,

My friend
