I was much surprised
 to hear that they had ordered
 without its coming this
 one at all here
 The financial obligations of our
 ass must be known to us
 it made by us. I must con-
 fess that I have felt uneasy
 about the own arrangements
 for Raper, please so, for in the
 position as our dept, it ^{may} seem
 what implies us, but I pre-
 sume they are very careful
 on that point, & they are also
 I doubt not, careful to remit
 promptly as they sell - & that
 they all understand, it is upon
 the individual responsibility.
 I have been from home nearly
 ever since I came from N.
 I have just ret^d from a le
