Dear friend
 I enclose R.R. Balto

check in N.Y. to the order for
 \$1200 on account of money
 due thee for services by the
 N.Y.C. & A.D. I thought it
 best to pay this amount, for
 we now have it on hand, & I do
 not think it safe for such an
 ass't to owe money - I will adjust
 the balance some weeks hence.
 I think thou can put it out
 safely at better interest - in Bonds
 of City Cin^a or some registered
 stock - do not lend it where
 there is the least risk - I would
 put it in a first mortgage R.R.
 Bond or City Stock of Cin^a.
 W. Carpenter can advise thee. I do
 not like lending to individuals for it is
 hard to get it back. (over) Thy friend
