

with them, taking Bessie. if
 she can't go I will leave here
 so as to join them in Rich.
 2nd day Am. The photo. work
 is a good hotel in Rich.
 We leave Rich 2nd day 2nd Am.
 at 2:30 & get to the farm
 that evening at midnight.
 We could then take a days
 rest at the farm & ride to
 Marlboro 10 miles next Am.
 & work there 4-5 days. The
 whole trip would only be 8 or
 ten days. We will see our school
 & ride to the yearly Mt. school
 & home only 10 miles from the
 farm. I particularly want to
 to bring W.R. Throckm along -
 Allen writes for Anna Loomis - I
 presume the wedding will present.
 If Th. Ladd could pay his own
 way I would like him - or any
 first rate woman worker who
 could pay her way. I shall no doubt
 take Bessie - she is studying too hard.
 If you could open 1st day here & go to
 Rich 2nd day Am. 5-5 reach there at
 2:30 P.M. & leave next day at 2:30 P.M.
 next

I prefer to leave B-2 day at 5 Am - stop in Rich
 until 3 day Am - reach B-2 that night

I had a letter from Allen
 saying that he has ar-
 ranged to hold the Conf. at
 Marlboro 3rd day the 29th inst.
 It could not well reach there
 until 4th day - it is to hold
 3rd day & to lose the first
 day would make no difference.
 I hope it will suit thee - it
 is near the farm.
 Then can leave N.Y. 7th day
 Am. & get to Rich about 3 o'clock
 1st day Am. - on the Boat
 from New York to Aquia Creek, & then
 sleeping Cars from 11 P.M. to
 3 A.M. Then can spend 1st
 day in Rich & 2nd day
 up to 2:30 P.M. then could write
 ahead & make all the arrange-
 ments to see the teachers & schools.
 I think I will go to Richmond

B-2 to 3/15-70

Sincerely
