 Since your last yr. viz  
 I have visited N.C. four  
 times. The agents & teachers  
 are devoted to their duties  
 & the work enlarges.  
 The pecuniary aid this  
 year has been curtailed  
 without lessening the work.  
 After the close of this  
 school year I mean 1,  
 we shall curtail our  
 aid still further - we  
 expect to make it self  
 sustaining for the future.  
 We appreciate your steady  
 liberal aid. We expect to  
 print a summary in closing  
 this year's work.  
 The late Mrs. Philada
