

Dear Allen
I went to Phila last
evening to see M C Cope, wife,
R Wallis, & Eliz Harrison
who have just come from
Tenn^a. They have agreed to
take the Tenn^a Meetings un-
der their care & release us,
except we are to get them
teachers & then out to go
there to Lg^g try twice a
year. They will oversee
schools, pay teachers & do
every thing else. it will
release us greatly.
They say that Eliza Grinnell
& M Russell have not heard
one dollar, on account of
failure of crops, & that they
have promises to pay them

My dear friend

Enclose about to
the order for \$200 for the
repair of Meeting House.
If we have the funds in
hand we can let them
have \$50 towards the same
for the grave yard. but if
it is left after the 1st of
10 mo the money may be
gone & we never expect to
collect any more.

I am pleased to hear that
the appearance of the venera-
ble old House is so improved.
I hope it will long be a land
mark of Quakerism. I do
wish you had some engraving
of your beautiful valley.

My love to thy wife & family

affly H. J. King
