Dear Friend

I enclose check
for \$8.50 the amt of
Harris' bills.

Good to hear that E.
Hayward is doing well.

Thy friend

J. S. King

I want thy own & Mrs. I. to be as
early as you can send them, closing
your financials up to 9th. I
give facts & details - we can reduce
them if necessary when we go to
print.

I find them best when busy in
the work at various points. Have
the Books & Tracts come. I want
to hear from Dr. J. & to get the
freight paid on them to H.P.
I am greatly relieved at Martha's
recovery. They if you not to
take boards again - do have
a quiet winter, or rather one
free from home care.

If I had known the children
would like the Top so much
I would have sent another for
Mr. S's family - suppose them
occasionally lend it to Mr.
My love to you very truly
