

The first part of the right
 for it seems first the right
 necessary of being - what
 I have desired for some
 great family. I would
 encourage them - give
 in their ideas & there in
 detail.
 I let from West - last
 night of the Indian Council
 deliberating time.
 Let me say again in
 conclusion that I am truly
 glad to hear the account
 of the recent visit.
 While we before them
 came for some - & after
 the last - been over the
 ground. I want to tell
 of our own experience & wish all
 I could there & here for our
 brethren better to - perhaps
 but fear it did not amount
 to anything - do so & see how
 other - this seems to you all
 the first part

time ago - let his account
 as to the prospect of action
 upon the law.
 Do not know at the
 interview with the visit
 to him - I would like
 to meet there at length
 but fear I could not.
 Will write kindly also.
 I am much interested
 in the account of visit
 recently made to the reform
 their being book.
 If you find it necessary to
 give some aid at Springfield
 then can do so - I leave it
 to the discretion. I am glad
 you have left book.
 As regards the editing of the
 publication of Springfield then
 say it will take "several" but
 that shall, but then don't say
 too many. I think well of
 their going to have consulted
 several of our own who write

3rd part
 to understand all this is to
 making a new set of records
 of the - however that I
 think of them just now
 with all our of necessity
 that of them would be
 at this may a new record
 - then - some go to right
 now it is just a record of

1st part
 to make a new set of records
 of the - however that I
 think of them just now
 with all our of necessity
 that of them would be
 at this may a new record
 - then - some go to right
 now it is just a record of
