

with my love that I was
at the Indian Camp
at Wash^gton Creek
& I also went with Dr
V to Phila & spent
two days with the I. B. G.
confering upon Indian
matters - all goes well.

My dear Allen (

The 3000 scholars a year,
under our care, now rep-
resent, to some extent, the
men & women of the several
neighborhoods. I always
looked forward to our Ed-
gemoth as being self-
sustaining & I am not
disappointed - it is being
so now without any dis-
continuation in the schools or the
pupils.

for it seems just the right
 missionary opening - what
 I have desired for some
 months past. I would
 encourage them - give
 in their ideas & theme in
 detail -
 I get from most - last
 night at the Mission Conference
 looking time -
 let me say again -
 in conclusion that I am truly
 glad to hear the account
 of the recent work -
 I am very glad.
