 Hon. Edmund
 Dear friend.

Koran W. Shop -
 The Patentee of the Patent
 Book we have used called
 on me today in reference
 to it. I paid him 10.00
 a debt for 50 Dec 4. - please
 inform me how many
 them he has made for our
 schools & I will pay him
 for them also, so as not to
 use his patent without pay.
 Please make no more
 except at the same rate
 & benefit. I never gave the
 subject a moment's thought
 until he called today. I
 thought we had only used
 the 50. They friend
 speak to a day also. P.S. King
