

I am much interested
 in hearing from Allen - I
 had your msg for Ruffings
 meets at Centre the 30th
 & they expect to memorialize
 Congress on behalf of Ed at
 the 10th.
 I am rejoiced to hear it. I
 called on Post Grant a year
 ago on that he liked & urged
 it - he was much interested
 & said he would sustain
 Congress in any Bill they
 would pass. It suggested
 grants of Land. I thought
 of loans to the States of
 \$500,000 a year for ten years
 payable in State Bonds
 in 20 years. He thought that

was not constitutional -
 but that Land grants
 were.
 I hope you will draw up
 a first rate memorial
 & if it will aid you any
 I will go to Wash^{ton} & pre-
 sent it for you.
 The friends of Phila & others
 are now in the custom
 of signing our documents
 signed by the Represen-
 tatives of N. & a yearly list
 of friends. They understand
 that better than Ruffings.
 & it is according to discipline
 to go to the N.Y. & encourage
 such a memorial.
