

I have concluded however
 to ship thee 50 Bushels of
 choice seed having found
 some prime at \$7 to \$7 1/4 -
 there is some at 6 3/4, but it
 is very inferior.
 As soon as this is sold to the
 amount I have advanced is
 sent me, I will send 50
 Bushels more if required.
 Write me if I shall hold it
 here till they return from N.Y.
 or ship it more than
 P. M. H.

Dear Mr.
 As I wrote thee yesterday
 our ass. has no funds & I
 myself have none to advance
 being unusually bare. I have
 \$1700 to pay as soon as I can
 do so.

 choice seed having found

Dear Mr.
 As I wrote thee yesterday
 our ass. has no money &
 no prospect of any, & it is
 not at all convenient for
 me to advance any -
 I have concluded however
 to buy \$500 worth & ship to
 thee, & as soon as I get the
 money for that, to ship as
 much more, for several
 shipments, provided they
 are promptly sold & the
 money sent to clear up
 each lot.
 I was in the wharf today
 & find it is worth 6 3/4 to
 \$7 1/4 for the best. There
 is a choice lot of the
 latter & I shall buy it
 & hold for shipment un-
 til I hear from thee
