my election & that I am a Supreme
or Some such Grand Education Council
and for that Clerkship.
my business experience & ability the
good judgment & efficiency My thorough
knowledge of the wants of the people
must make me the best one to fill
it for the position, & I am sure I can
have to let myself down with office
seekers, & can be responsible by all means
to have the selection of My Clerk & asst.
I would take no office where
I had to put myself in the hands of
a Clerk as many of them lead by the nose
& become what generally means a
politician.
Mr Thiel is known to all Dick
Walling but after the election I will be
my dear friend C. A. J. & together
hope to have some [illegible] S. & the
