

Dear Mr. [illegible]
I have thought so
much about thee today
in thy new undertaking
so far away from
dear children & home,
that I feel like giving
expression to the desire
that the Lord may
keep thee & direct thy
steps & enable thee
to do all to His praise.
I want thee to write
me & tell me just
how things open for
thee & how far thou
hast progressed in thy
work. I hope to go to
Springfield in 4 or 6 weeks.
With affectionate remembrance
Thy friend J. T. Ke
