

in Greensboro and he wishes to see
that they are all right before sending.

The Reports of the Trustees
to the Yearly Meeting for the last
few years will give the history
for three years. I suppose you
have copies of the minutes con-
taining the reports. - The project
now is to change the name
of the School to Guilford
College and endow it.

Dr. D.W.C. Beaman has subscribed
\$5000.00 towards making up 50
thousand to add to the present en-
dowment; and the Trustees
are looking towards converting
the School into a College
with a course of study
about one year in advance
of what we now have,
and then make our work thorough
as far as we go, a thing which
we have always aimed at.
