REPORT OF THE BOARD OF MANAGERS.

*To "Baltimore Association of Friends
to advise and assist Friends of the Southern States."*

Our organization originated in an effort to extend physical relief, at the close of the war, to the members of our Religious Society, at the South. Small, in the beginning, and confined to this particular object, the field of labor has since been greatly enlarged, until it now embraces, not only physical relief, but, we believe, the intellectual, moral and industrial development of every family of Friends in North Carolina and Tennessee. Nor are its benefits confined to the members of our own Society, but they extend in a widening circle to many others.

Our last Annual Report gave a history of our Association from its origin, and embraced its operations down to 11th Mo. 1st, 1866. The Board now has the pleasure, of reporting to the Association, its labors for another year, which for the sake of clearness we have arranged under different Heads.

PHYSICAL RELIEF.

Our disbursements under this head, during the past year, have been \$1,841.73. Amount previously expended, \$12,936.40. Total, for physical relief, since our operations began, \$14,778.13. For the past twelve months, aid has been chiefly confined to widows and aged persons,
