Dear friend

Shine of the 26th ult. was duly recd. Please to send us as full a statistical report as possible not later than the first of next month. We will condense it & embody it in our report to London Yearly Mtg.

I enclose two checks of the Lycon Mining Co one for \$100.00 & one for \$82.00 for the following schools.

Deep River	\$62.	Granted 12/26 & 1/5
Hockett	20.	" 12/11
Centre	40.	" 12/11
Belvidere (Buck Co.)	33.75	" 1/5
Summerfield (3 hrs)	26.25	" 1/20
		Total \$182.00

I sent the \$28.00 for Davis & Bethel schools on the 22nd ult. I think Deep River is getting more than its share, considering the \$50. from New York.

We have agreed to grant to Providence school \$3.00 and an additional amount to Bush Hill of \$25.00 making \$58.00 in all to latter school. When we said
