J. D. Blair Supt.

Summerfield

Dear Friend

Thy letter of 22nd inst has been duly received, & I enclose a check of the Tyson Mining Co for \$77.⁸³ to thy order for the following schools.

Dover school	\$23.33	11/26
Prospect "	24.50	2/11
Cane Cr. "	30.00	
	<u>\$77.83</u>	

Thy letter of the 27th just recd. I think thy written report a very good one, but the statistics are so incomplete, it seems hardly worth while to forward them to London in their present shape. If any more reports come in this week, send them on at once.

Let me know when Woodland Academy wants some of their appropriation.

thy friend

John C. Thomas. Secy.
