Dear friend

Thine of the 13th was
duly received, & would have been answered
sooner but for the absence of H. T. King from
the city. I enclose check of Tyron Mining Co
for \$60.⁰⁰, of which \$40.⁰⁰ is for Pine Woods
school & \$20.⁰⁰ for the tuition of the two poor
young men in thy school, though thou dost
not make it clear whether it is asked for
last session or the next: I would like to know.
We have also decided to appropriate \$50. for
J. Edgerton's Cross Roads Academy. I suppose that
will come more properly in next year's report,
will it not?

Thine sincerely,

John C. Thomas. Secy.
