Dear friend

Thy letter of the 23rd has been duly received & laid before the Exec. Com. They have decided to give thee \$75.00 per. mo. for 6 mos. to include travelling expenses except R. R. fare to Eastern Carolina. We will not however be able to give thee any extra salary in the Mission field, & must leave that branch entirely to N. C. Friends.

Please send the report for last year as soon as completed.

thy friend

John C. Thomas. Secty.
