

money as to do the greatest good to the greatest number, & that seems to be best accomplished by helping schools already established, & only aiding such individuals as are likely to be especially useful, or have unusual claims. We think Martin Parker appears to be one of these cases, & will pay his board for four months while at school, say \$32.-.

Thy statement appears correct & I send a check of Lyons Mining Co to thy order for \$60.²⁶/₁₀₀ being for last months salary, less balance due by thee as per statement.

Very truly,
