

Bush Hill should want as much, as the poorer neighborhoods require aid beyond what we can do for them. He will send \$50. (50.00)

I enclose check of Baltimore Chrome Works for \$117.52 to thy order, being \$82.00 for Lucas Roads Academy, & \$35.52 for thy salary for last month.

We will grant the \$35.52 to Providence under the circumstances.

Please ask S. N. Hartley for a Memorandum of the amounts & dates of moneys received from Balt. Acad. I want to see where the discrepancy between us exists.
