Dear friend

Thine of the 17th inst has been duly read. It is not necessary for thee to send on any vouchers, but it will be well for thee to keep them thyself.

I am glad to be able to say that our Board of Managers has met, & decided to increase the appropriation for the Normal School to a total of \$700. for working expenses repairs, & to reduce the amt. for purchase of building to \$200. half of which is to come out of next year's allotment. Without this help, there is danger of losing the building altogether.

I am very glad to hear that thou wast not seriously injured by the fall. I hope thou art quite recovered by this time.

thy sincere friend
John C. Thomas
