June of the 26th
just received, & I enclose herewith
check of \$200. being \$100 for
to the side, being amt of the
appropriation of the B. & O. Acc^{ts}
for the year. I am very
glad that there is a probability
of their being able to settle for the
my only considerable claim against
them. I would have a release
drawn in such a way that there
could be no doubt, misunderstanding
about this future.
I received a very interesting report
from B. O. Crockett & will lay it before
the one. I am, as soon as possible.

Major S. May had a letter from
me about a month ago - also
what General Sweeny is to
do at Ciudad Madero.
