Dear friend

Yours of the 19th received yesterday, but I could not see the rest of the Enc. Com. until this evening. We would like to grant all those asks for, but would run short of funds before we get through unless the reductions are much larger in most cases. We have made the following grants, viz to

Sassafras & Glencoe	20. -
Pine Woods	34. -
Deep River	50. -
Dover	20. -
Oak Forest	<u>40. -</u>
	\$164. -

Truly, thy friend
