

will be nearly self-sustaining
by that time. And we are
sorry to disappoint the expectation
of getting help to build the houses,
& have a better oversight of the
project, we think that the interest
on the part of building, fire insurance,
lumber & repairs would amount to quite
as much money as the rent of rooms.
We have decided to pay half the
cost if necessary repairs to General
school building, provided we share
about equal amount to cover them ~~own~~,
which is all we can devote to that
purpose.

With compliments to all yours
of the effort we feel & desire for
to be continued living in the world
with love
Very friend

Dear friend

March 27th 7th

has been badly met, and upon
the score. Can indeed
opinion is that building houses
very houses does not come
within the list of objects
for which the money was
raised; and indeed, if so,
could be taken out of the
fund, if we had less very
little for education out now.
We expect to send the school
on much money during the
autumn and winter as paying
the one paid ahead, which will
advance the English No. 1, 2,
